

2019 Sonoma Family Coastal Trail Day Walk Series

Join Coastwalk for our newest family walk series along the Sonoma Coast focused on learning about our variety of treasured coastal resources.

Led by:

Peter Leveque: renowned biologist, SRJC instructor of 35 years with the Life Sciences Department, and volunteer naturalist trail guide for Sonoma County environmental non-profits & **Cea Higgins:** Executive Director of Coastwalk, Greater Farallones National Marine Sanctuary Council, & Marine Debris Educator.

February 2nd (9 a.m.-12): “Mammoth Rocks Day Hike”- walk the flat and easy Kortum Trail from Shell Beach to Mammoth Rocks and learn the answer to the question of how these smooth rocks were the rubbing sites of giant mammoths over 10,000 years ago. **Rain Date February 9th**

March 9th (9 a.m.-12): “Sandy Shore Inhabitants”-beach comb with us along South Salmon Creek Beach and learn about the beach hopper, mole crabs, and many more organisms while strolling along this beautiful sandy beach.
Rain Date March 23rd.

April 12th (4-7:30 p.m.) “Red Hill Dinner Sunset Hike”-Walk with us from Shell Beach to Red Hill learning about the flora & fauna and enjoy the views of the Russian River & The Sonoma Coast while enjoying the sunset and your packed dinner.

May 17th (4:30-8:30 p.m.) “Jenner Headlands Sunset Hike” -Hike to the Mystery Trees at our newest coastal park -an easy uphill hike.

June 8th (8:30 a.m.-12): “Bodega Bay Mudflats”-Come meet us at Doran Park and walk the flats to meet the mud critters of Bodega Bay-clams, worms, shrimp, snails & more. Bring your boots!

Costs: Suggested \$5.00 donation. For more details including what to bring, where to meet, how to join Coastwalk, and to register visit www.coastwalk.org
